

SOHAIL ANSARI

Pindwara, Sirohi, Rajasthan

+91 7878364087 | sohailansarisa318@gmail.com | LinkedIn | Github | Portfolio

Summary

Computer Science undergraduate with hands-on experience in full-stack web and mobile application development using the MERN stack. Skilled in React, Node.js, TypeScript, MongoDB, React Native, AWS, and modern development tools. Built scalable applications focused on workflow automation, civic issue management, and sustainability. Passionate about software engineering, AI-powered products, cloud technologies, and building high-performance user experiences.

Experience

Tech Lead | AWS Student Builder Club, GITS

Present

Lead technical workshops and cloud learning initiatives for the student community.
Mentor members in AWS Cloud, web development, and project-based learning.
Coordinate technical events and collaborate with teams to promote cloud technologies.

AI/ML Trainee | Grras Solutions

45-Day Training Program (Organized by GITS)

Completed intensive training in Machine Learning, Deep Learning, and Python.
Built foundational knowledge of AI workflows, model development, and data preprocessing.
Worked on hands-on exercises involving supervised learning and model evaluation.

Projects

BugFlow | React, Node.js, Express.js, MongoDB, JWT

Built a full-stack bug tracking platform with authentication and role-based access.
Implemented real-time bug lifecycle management and collaborative issue tracking.
Designed scalable REST APIs using modular backend architecture.

SudhaarX | React Native, Node.js, MongoDB, Firebase

Developed a civic issue reporting app with geo-tagging and real-time complaint tracking.
Built an admin dashboard for issue management and prioritization.
Designed a scalable backend supporting secure authentication and multiple users.

Technical Skills

C, C++, Python, JavaScript, TypeScript, React.js, React Native, Node.js, Express.js, HTML5, CSS3, MongoDB, REST APIs, AWS, Docker, Firebase, Git, GitHub, Postman, Vite

Leadership

AWS Club Tech Lead | GITS (October 2025 - Current)

Organized technical workshops and cloud learning sessions.
Mentored students in AWS and modern web technologies.

Achievements

Internal Smart India Hackathon 2025 – 2nd Runner-Up
DSA Forge – 2nd Runner-Up
Finalist, CodeFiesta 3.0 Hackathon
Best Research Paper, SPSU International Research Conference
AWS Core Team Member
Google LakeCity Hackathon Participant

Education

Geetanjali Institute of Technical Studies | B.Tech, Computer Science Engineering | 2024 – 2028 | SGPA: 8.1
